## **Daytime Lane Closures on Sheridan Road between Tower Road and Scott Street**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that daytime lane closures will take place on Sheridan Road between Tower Road and Scott Street, in Winnetka, beginning, weather permitting, Monday, March 28.

The closures are necessary to make drainage improvements in order to reduce roadway flooding. The project also includes roadway resurfacing and new pavement markings.

In order to complete the work, temporary, daily lane closures will take place from 7 a.m. to 3:30 p.m. Intermittent traffic stops will be necessary for short periods of time in order to perform work on the storm sewer. The project is expected to be completed by July 2016.

Motorists can expect delays and should seek alternate routes. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
